

CLUBS

Dream in Green TAKE CHARGE

Turn ideas into reality! Dream in Greens mission is to empower individuals to respond to climate change and other environmental changes facing local and global communities. Students are directly involved in designing and implementing energy and environmental solutions at their school.

Mondays from 3:00 – 4:00 P.M.
Open to ALL students
With Ms. Matus in RM 120

VEX IQ Robotics

Encourages creativity through its easy to use construction system and approachable technology. By packaging advanced concepts and incorporating all four pillars of STEM, the system promotes teamwork, problem solving and leadership as they create physical robots.

Wednesdays and Fridays from
3:00 – 4:00 P.M.
Open to 4th and 5th Graders
With Ms. Acosta in RM 222

Clubs will begin the
week of October 2nd.
ENROLL NOW!

SECME

Explore and promote inclusion in the studies of Science, Technology, Engineering and Mathematics, thus creating a diverse and globally competitive workforce.
