

ACADEMIR CHARTER SCHOOL MIDDLE

SUMMER PACKET 2020

AcadeMir Families,

Welcome to AcadeMir Charter School Middle! Summer is a great time to relax, but it is also time to read and practice your skills to be prepared for the upcoming school year. We have prepared a standards-based summer packet with Language Arts, Math, and Science activities to support our students with their summer learning process and to increase critical thinking skills. This packet will be graded per subject and a test will be administered on the reading assignment. Summer packets are MANDATORY and due the first week of school to your teacher.

All packets will be completed on USA Test Prep and please adhere to the following steps to access the online assignments:

- If you are a new student to AcadeMir, please contact our Science Coach, Mr. Nabin Timilsina to create a new account and get log-in credentials.
- If you are a current student, you will continue to use current log-in credentials.

If you have any questions, please contact the school (305) 967-8492 or via email:

Mrs. Espinosa, Assistant Principal, at pespinosa@academircharterschoolmiddle.com

Or

Mr. Tim, Science Coach, at timilsina@academirpreparatoryacademy.com

May you have a restful, relaxing, enjoyable, and fun-filled summer!

Sincerely,
